Substance Use and Mental Health Resource Guide

for Mitchell and Yancey Counties

Revised April 2016

Dear Community Member,

We have created this guide of substance use resources for Mitchell and Yancey County residents. We hope that the information you find will be helpful and current, but please be aware that providers are constantly changing. Please visit www.smokymountaincenter.com or www.healthyancey.org, or call Smoky Mountain Center at 1-800-849-6127 for the most current information on substance abuse resources in our region.

We are working hard to address the issues of substance use in our community. Please contact us if you have suggestions about how we might improve our efforts to serve you and our community.

Best wishes,

Mitchell-Yancey Substance Abuse Task Force
