Toe River Health District - Environmental Health Section Site Plan Worksheet

Please check (✓) each item that has been indicated on your site plan. Incomplete plans will be returned to you for completion.

Your property will not be scheduled for an evaluation until we have received a completed application, site plan, all proposed items are marked on the property and payment of application fee.

- The dimensions of the property.
- The proposed location of all structures (e.g. facility, wells, water lines, outbuildings, pools). Show the distances from the road and the side of the property line to all structures. Be sure and give the dimensions for all the structures. If you are unsure as to the structure size, please show the dimensions of the MAXIMUM area of the lot that you anticipate the structure will cover.
- The site you would prefer your septic system to go in.
- The preferred driveway location.
- The proposed well location.
- A north arrow or other sufficient directional indicator.
- Any proposed structures or improvements to the property such as garages, workshops, pools, etc.
- The location of any existing septic tank systems and wells on your property and on the adjoining property within 100 feet of your property line.
- The location of any easements or rights of way on the property.
- The location of any designated wetlands on the property.
